

2017 County Two Wood Singles arrangements.

The administration and qualification arrangements for the 2017 County Two Wood singles are different from previous years and not as per County Rule 2.7.2 on page 42 in the County Yearbook.

Competitors should be aware that the section rounds held on 2nd or 9th July, depending on section, will see two qualifiers from each section, and not the four as per previous years.

These eight qualifiers will then contend the quarter-finals and semi-finals at Wotton-under-Edge BC on Wednesday 19th July with two games on the same evening.

For future years it is intended to further change the arrangements to ensure a fairer and more equal qualification stage and the County rules will be amended.
